Dear Ms. Eger:

I am in receipt of your letter dated February 13, 2012 regarding the aforementioned report.

Please be advised that the contributor you referenced, Caesars Entertainment PAC, did redesignate their 9/30/11 contribution from the Primary cycle to the General cycle as reported on the subsequent Year End Report. Additionally, this redesignation, dated 11/9/11, was completed within the permissible 60-day window provided in the commission's regulations.

At this time our committee believes to be in compliance.

Sincerely,
